West Basin – Providing a safe and reliable supply of high-quality water to the communities we serve.

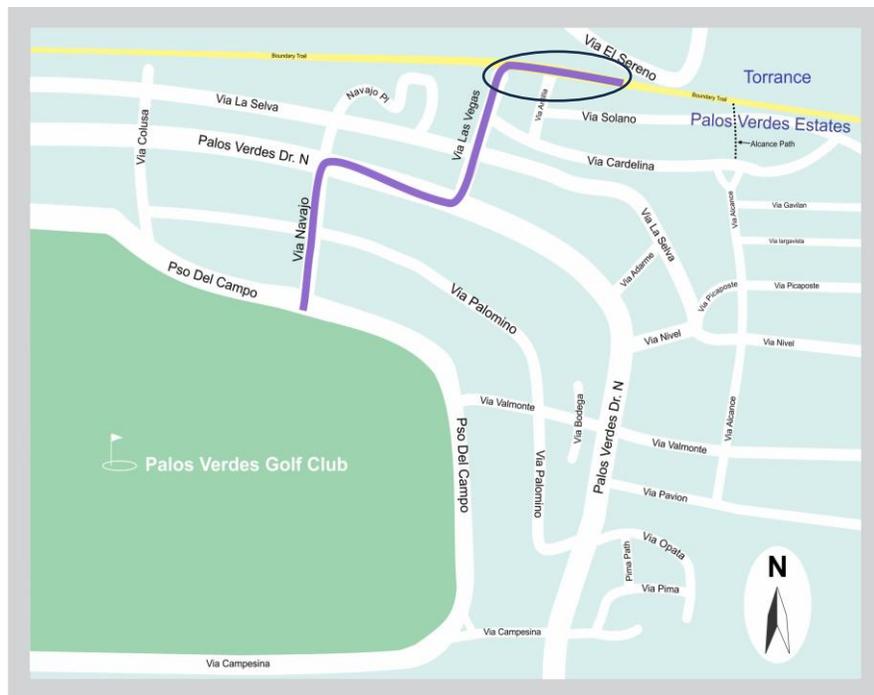

West Basin Municipal Water District is constructing the Palos Verdes Recycled Water Pipeline Project, a new 3.5-mile-long recycled water pipeline that will connect to West Basin’s existing system in Torrance and deliver recycled water for irrigation purposes to the Palos Verdes Golf Club.

What to Expect

Pipeline construction on the Torrance boundary trail (see circled area on map) is scheduled to begin on April 11, and will be completed by May 10. Project activities include excavation, horizontal directional drilling, pipeline installation and backfilling.

- Temporary closure of boundary trail in work area between Via Las Vegas and west of Alcance Path in Palos Verdes Estates
- Contractor will use Villa Ardilla and Via Las Vegas to access boundary trail. Some parking restrictions.
- Some noise, dust and vibration during work activities
- Some materials, equipment and construction vehicles to be staged on boundary trail and Via Las Vegas
- Access to driveways maintained at all times

Location

Circled area shows location of pipeline construction on the boundary trail.
