West Basin – Providing a safe and reliable supply of high-quality water to the communities we serve.

West Basin Municipal Water District is constructing a new recycled water pipeline that will expand recycled water use in the City of Torrance and bring the first drop of recycled water to the Palos Verdes Peninsula.

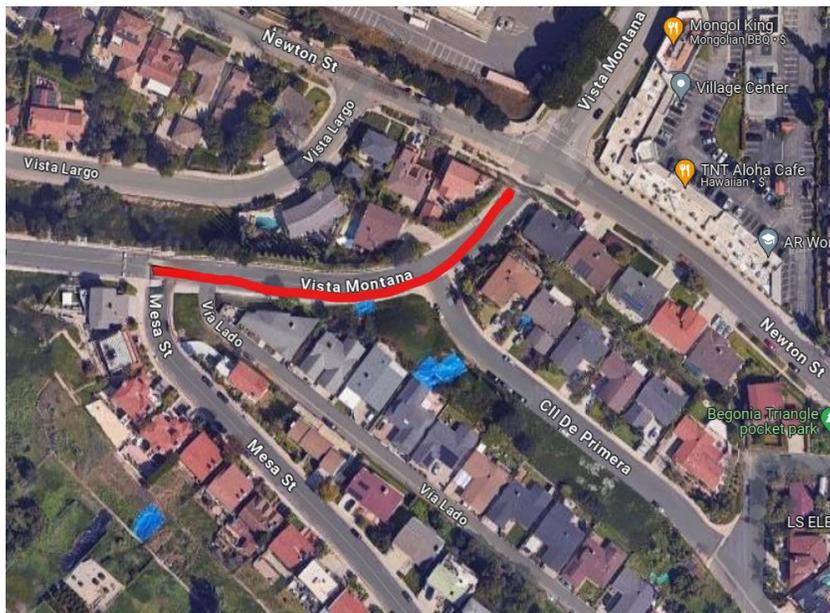

What to Expect

Project activities include excavation, open trench construction, backfill work, paving, deliveries of materials and use of construction equipment.

Vista Montana will be closed between Newton Street and Mesa Street during construction work hours. Work will begin at Newton Street and continue south toward Mesa Street.

- Both Calle de Primera and Mesa Street will be closed to through traffic at Vista Montana during construction work hours; please use alternate routes to access Calle de Primera and Mesa Street
- Via Lado will remain accessible from Vista Montana at all times during construction work hours; there may be intermittent delays in order to ensure safety for ingress and egress
- Via Lado access may include lane reductions and flagger-controlled traffic
- Some noise, dust and vibration during work activities
- No disruption to utility, trash, mail and delivery services
- Mitigation plans are in place to ensure access for emergency services as needed

Location
