I have read and accept the terms and conditions as stated for the Parkway Landscape Beautification Program offered by West Basin Municipal Water District (West Basin) and acknowledge this waiver and release of liability for the renovation of the turf parkway. I agree to hold West Basin, Metropolitan Water District, and EcoTech Services, Inc. (EcoTech) harmless from any and all liability or claims for damage resulting from or alleged to result from the renovation of the new parkway, and any other activity related to this program. Original signatures are required.

# GUIDELINES & REQUIREMENTS

Eligible project area must have living turf grass parkways (the area between the sidewalk and the street) and be located within established geographical boundaries.

Program only applies to transformation of parkway landscapes. Customers looking to renovate other turf areas on their property should review information about West Basin's Grass Replacement Program, at [www.westbasin.org](http://www.westbasin.org)

This program shall not apply retroactively. Pre-existing projects of turf removal, which were initiated and/or completed prior to the approval of West Basin, shall not be eligible for participation in this program.

Customers who participate in the Parkway Landscape Beautification Program agree to maintain the project site for a minimum of five (5) years. Participants who fail to maintain the parkway or that revert back to a turf parkway landscape within five (5) years may be required to refund the cost of the project amount.

Participation in the program is voluntary and does not constitute any representation or promise of any cost savings whatsoever.

West Basin reserves the right to refuse and/or deny an application based upon the location of the project, existing conditions of the parkway, non-eligibility, overall program funding, and site evaluation conducted by licensed contractor.

Participant agrees to allow West Basin to publicize efforts/results associated with this project. This may include photos or video of the project. However, customer's personal information will not be publicized.

Participant must work with West Basin's licensed contractor, EcoTech. West Basin will not cover work done by outside partners.

West Basin will cover eligible costs for the complete project, including landscape design, turf removal, landscape installation, materials, and labor for parkway relandscaping. Should customers request enhanced parkway upgrades, they will be responsible for covering any increased costs that fall outside of the program parameters.

For a complete list of guidelines, please visit: <http://westbasin.org/parkwayprogram>

This agreement gives West Basin Municipal Water District employees and representatives permission to enter and to be on the Customer's property for the sole purpose of conducting the following: 1) site assessment, 2) application of herbicide to turf, 3) Removal of turf-grass, 4) installation of climate appropriate landscaping, 5) installation of drip irrigation, 6) installation of ground cover, and 7) follow up visits. The intent of the program is to beautify parkways, and to increase outdoor water savings.

\_\_\_\_\_ (customer Initials)

The Customer agrees to defend, indemnify, protect, and hold West Basin Municipal Water District and its contractor, agents, officers, and employees harmless from and against any and all claims asserted or liability established for damages or injuries to any person or property which arises from or are connected with or are caused by the acts or omissions of the Customer or from conditions on the Customer's property; provided, however, that the Customer's duty to indemnify and hold harmless shall not include any claims or liability arising from the willful misconduct of WBMWD, its contractor, agents, officers or employees in performing the work or services or supplying materials or equipment to the Customer.

\_\_\_\_\_ (customer Initials)

By participating in the Parkway Landscape Beautification Program, I agree to maintain the parkway for a minimum of 5 years.
